

CHURCH FACILITIES AND CEREMONY TIMES

The following venues at Grace are used for weddings:

Worship Center	Seats up to 700 on main level, 1400 total
Chapel Lower Level	Seats up to 200
Atrium Chapel	Seats up to 150
Hospitality Suite	Seats up to 40

Weddings in the Worship Center are usually on Saturdays and must be at either 1:00 PM or 4:00 PM. All parties involved in the ceremony should arrive at least one hour before the ceremony.

Rehearsals are usually scheduled on Fridays at 4:30, 6:00, or 7:30 PM.

Most wedding ceremonies take 30-45 minutes. Receiving line (if desired) takes about another 45 minutes depending on guest total.

Dressing rooms are provided for the bridesmaids and groomsmen on the day of the wedding.

Receptions are occasionally held at Grace Church. Check with the Facility Scheduling Director for details. Note that alcohol consumption and dancing (other than bride/groom first dance; the father/daughter and mother/son dance) are not permitted.

Church Facility is to be used for God's glory. This includes care and proper use of all equipment and furniture as well as care in music selections and photos in any powerpoint slide shows.

Non-staff pastors must be approved before the wedding is confirmed and must agree to our church policy on weddings. Please have your pastor contact Pastor Shawn Brennan prior to making your wedding reservations at Grace.
