

With this service, your ministry contribution can be deducted directly from the bank account of your choice. You may enroll at any time, change your designated gift at any time, and cancel your participation at any time. The program is both convenient and safe – all electronic payments are federally regulated for your protection. To participate, submit this form to John Guenther, Grace Church Administrator, authorizing the church to debit your checking or savings account at the frequency and for the amount you choose. There are no charges for this service, and only the amount you state will be withdrawn from your account and distributed as indicated below.

You may change the amount, the distribution or cancel your participation at any time by notifying the church in writing (use Authorization for Electronic Debit form) or e-mail John Guenther at john.guenther@gracecma.org. Please allow up to two weeks for changes to take effect.
